

## Canaan/Stewartstown Quarterly Meeting

July 12, 2016

### Minutes

1. **Open Meeting** – The July 12, 2016 Canaan/Stewartstown Quarterly meeting opened at 5:33PM by Gregory Noyes. Those present: Gregory Noyes, Haven Haynes (Canaan Select), Allen Coats, James Gilbert, Hasen Burns (Stewartstown Select.) April Busfield, (Operator), Brian Bissonnette, (Asst. Operator), Ken Trask (Tata and Howard).
2. **Approve minutes** – April 7, 2016 – On a motion by Allen and seconded by Haven the April 7, 2016 meeting minutes were approved.
3. **Additions/Deletion** - none
4. **Ken Trask**
  - a. Septage receiver – problems with –Ken explained to the boards that the septage receiver is getting more dirt and rocks in one dumping than it should be getting in a year's time. Keeping the receiver cleaned out has been very time consuming as well as labor intensive for the operator and asst. operator. Ken had photos to show what is being dumped. Ken thought it probably was due to the hauler not being more aware of the dirt and rocks being sucked in when he is emptying individual septic tanks. Ken explained that a lot of the older tanks are just made up of tiles with dirt bottoms and perhaps the hauler is not removing the hose once it gets down to the bottom of these tanks.  
Since Jon Bolens could not make this meeting the board will set up a meeting with him on Tuesday, July 19<sup>th</sup> at 5:30 PM.  
The huge increase in septage received for the month of June was discussed. There were a couple days that Bolens went over the allotted 6000 per day. This will need to be monitored more closely.
5. **Operator Report** – No report. April will be back to work from maternity leave on Monday, July 18<sup>th</sup>.
6. **Report on Inspection** – Haven and Allen did the inspection this month. No issues were found. The generator at the Riverside pump station was having issues. Brian thought he had it figured out. April suggested calling Power Point in since they are the company that services the generator.
7. **Bush Hog – Lagoon area** – Noreen explained that Donald Labrecque stated that he will be giving up the lagoon bush hogging section of the treatment plant after this season. He will continue down the mowing. Donald is willing to sell the walk-behind trimmer to the town if they are interested.
8. **Other business**
  - a. Open House – September 10<sup>th</sup> 2016 from 10:00 AM to 1:00PM. Will advertise in paper and send notices out with tax bills.
  - b. Mileage – no action
9. **Adjourn meeting** – On a motion by Hasen Burns the July 12, 2016 Canaan/Stewartstown Quarterly Meeting was adjourned.
