APRIL 2022

FIRE PERMITS

No person shall kindle or authorize to kindle a fire in the open air for the purpose of burning brush, weeds, grass or rubbish of any kind except where there is snow in the site, without permission from the Canaan Fire Warden. Persons in violation are subject to fines pursuant to 10 V.S.A. Ch. 83 §2645.

Norman Flanagan, Canaan Fire Warden

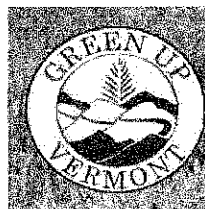

603-331-1176

INTERESTED IN ONE OF THE FOLLOWING.....

Green Up Day Coordinator
Recreation Park Committee Member
Northeastern Vermont Development Association (NVDA)
Representative

For more information or are interested, please contact Noreen Labrecque, Town Clerk at 802-266-3370

2022 GREEN UP DAY IS
MAY 7!

Pick up your Green Up trash bags and get out in your community on Saturday, May 7 to clean up your neighborhood roads and waterways. As a volunteer, you make a huge difference for our environment.

Green Up trash bags will be available at the Town Office and the Alice M. Ward Memorial Library.

DOG LICENSES

The deadline is April 1st to register your dog before late fees are applied.

Per state law—all dogs 6 months or older are to be licensed every year.

Please bring in your most recent rabies certificate.

If you no longer own your pet contact the Town, so your name will be removed.

If you do not by that date the Animal Control Officer will pay you a visit.

CLEANUP OF EXCREMENT

Responsibility for cleanup of excrement. The owner of any animal shall be responsible for the prompt removal of any excreta deposited by his or her animal(s) off the owners premises. Failure to remove such excreta shall be considered a violation of the ordinance. The fine for a violation of this section of the ordinance shall be \$50 with a waiver fee of \$25. A written warning shall be issued for the first violation of this section of the ordinance.

LEASH LAW

Responsibility for Leash Law: "At large" shall be intended to mean off the premises of the owner, and not immediately under the control of the owner or a member of the immediate family either by leash, cord, chain or otherwise. Failure to follow the leash law shall be considered a violation of the ordinance.

Selectboard Quarterly Report

WEIGHT LIMITS ON TOWN ROADS

There is a weight limit on town roads. We have the permits at the town office that you can fill out for waivers. The cost is minimal in that it is \$5 for a truck and \$10 for a fleet. This way if you are stopped on town roads you will have proof of permit. Contact the town office to get the information.

HALL STREAM BRIDGE

Shortly we will be getting more information on the scope and times of the work on the rehabbing of the Hall Stream Bridge. We will post on the town website the updates.

COMMITTEES

If you are interested in sitting on any of the town committees, please notify the Town Office. We need more people involved and it gives a chance for others to give back to your community.

WIPES

Please remember to not flush the wipes into the sewer system because these plug our pumps and can burn a pump out fast. It may say flushable, but they are not to go into the sewer system.

COMPOSTING RULES

COMPOSTING MATERIAL ACCEPTED ON SATURDAY'S ONLY

DO'S	DON'TS
Fruit	Bones
Vegetables	Plastics – Recycle Bin
Meats	Keurig containers
Coffee grounds & filters	Newspapers – Recycle Bin
Liquids (keep to a minimum) (less than a cup)	Grass trimmings & lawn debris – Stump Dump
Egg shells	Rice (cooked or uncooked)

KEEP AN EYE ON FUTURE UPDATES AS NEEDED

Why you shouldn't discharge your sump pump into the sewer system

When it comes to plumbing, there can be a fine line between finding the easiest solution and exploiting a shortcut. An example that comes to mind is the method for discharging a sump pump. Some homeowners connect their sump pump to a nearby drain and never give it a second thought.

While it may seem simple and harmless to discharge your sump pump down a regular drain in your home, it's actually a bad idea to send that water into the sanitary system. On top of potentially being illegal, this method can overwhelm the sewage system and cause other issues.

1. **It may be illegal.** In our municipality as in most connecting a sump pump to the sewer line is a big no-no. You could be fined for each day that your sump pump is illegally hooked into the sanitary sewer in some areas.
2. **Overwhelming the sewage system.** During a heavy rainstorm, the volume of water that sump pumps can move is more than the municipal sewer system and water treatment facility are designed to handle. If the sewer main gets overwhelmed, then wastewater can get backed up into your sewer line (under the property) or even into your home. This can result in a giant mess and health hazards.
3. **Environmental impact.** When water treatment facilities are overloaded, they can dump sewage or only partially cleaned water into local water outlets, which is harmful to the environment.
4. **Issues selling your house.** If you're looking to sell your home and your sump pump is incorrectly hooked up, it may get flagged during a home inspection.

How to properly discharge a sump pump

There are two acceptable methods for discharging a sump pump. You can have the discharge pipe empty onto your property at least 10 feet from the home. With this approach, make sure the ground slopes away from the foundation and the pipe stays clear of debris or animals.

The second option is connecting the sump pump to the storm drain, which is separate from the sanitary sewer system. This approach usually requires professional installation but completely removes the water from your property.

STUMP DUMP

Opens Saturday, May 7, 2022 and

Closes October 29, 2022

Open the 2nd week of the month on Wednesday only.

Check out the newsletter calendars and town website for scheduled dates.

Hours of operation 8:00 AM to 12:00 PM

PROCEDURE FOR FROZEN METERS AND OR BROKEN LINES

Section 6A. Procedure for Frozen Meters and or Broken Lines. The homeowner is responsible for the water service from the water shut-off to the home which includes the water meter. If a water meter breaks due to any occurrence, including freezing, it is the homeowner's responsibility.

These steps should be followed if an incident occurs:

1. Shut off the water as it enters the house if there is a working valve. If not successful, notify the Water Operator at 802-266-7723 to schedule having the water shut off at the curb stop. If possible, someone representing the property should be present when this is performed.
2. Contact the Water District for a replacement meter or frost plate if the incident is related to a frozen meter. The Water District will furnish a water meter for a fee, and you will be invoiced.
3. The water meter must be installed by the District's Water Operator. Under no circumstances will meters be permitted to be installed in any other fashion.

The complete copy of the Rules, Regulations and Schedule of Rates and Charges can be viewed on our Town website at <http://canaan-vt.org/firedistrictordinances.html> or you can request a paper copy to be mailed or emailed by calling the Town Office at 802-266-3370.

Bears Are Awake

As the snow melts and the weather warms, bears are waking up hungry.

1. Take down any birdfeeders or suet.
2. Store garbage and food scrap collection containers in a building if possible. Use other strategies to deter bears as needed.
3. Backyard compost in an enclosed container that would be challenging for a bear to open and use lots of browns to cover any smells. If you have a bear visit, immediately stop composting in your yard and bring food scraps to a local drop off.
4. Learn more about living with black bears: <https://vtfishandwildlife.com/learn-more/living-with-wildlife/living-with-black-bears>

2022 Canaan HHW Events Schedule—CANAAN TRANSFER STATION

May 6th 12:00 PM—4:00 PM
 May 7th 8:00 AM—1:00 PM
 September 9th 12:00 PM—4:00 PM
 September 10th 8:00AM—1:00 PM

ACCEPTED ITEMS LISTED BELOW:

HOUSEHOLD ITEMS

Air Fresheners
 Ammonia
 Arts & Craft Supplies
 Bleach
 Cleaners (includes: drain, oven,
 floor, window, rug, etc.)
 Disinfectants
 Metal & Furniture Polish
 Mothballs
 Mercury Thermometers
 Nail Polish/Remover
 Spot and Stain Removers

GARDEN SUPPLIES

Creosote
 Dioxins
 Fertilizers
 Flea Killers
 Fungicides
 Herbicides
 Insect sprays
 Muriatic acid
 No-pest strips

 Swimming pool chemicals
 Transmission fluid
 Wood preservatives

PLEASE DO NOT BRING:

Asbestos
 Explosives, including gun powder,
 Ammunition
 Flares
 Infectious waste
 Prescription medications
 Radioactive waste, including smoke
 detectors

TRANSFER STATION (ACCEPTED WEEKLY) MUST SEE OPERATOR FOR PROPER DISPOSAL

Used motor oil/filters, used cooking oil, fluorescent light bulbs/CFL's, lead—acid car batteries, propane cylinders and electronics

FROM THE LISTERS

NEMRC has completed a reappraisal of all real property in Canaan as of April 1, 2022. Over the past year they have inspected the properties and entered the information into a computer assisted mass appraisal (CAMA) system. Many changes in property values have occurred since the previous reappraisal, and many properties have undergone substantial physical changes. The purpose is to get the reappraisal of the properties to what value your property would sell for in today's market. The last Re-appraisal was in 2008.

Official Change of Appraisal Notice booklets will be mailed at the end of April. Every effort has been made to equitable assess property in Canaan. Please compare your property with similar properties and with properties that have sold over the past three years. Information about the Hearing Process and Formal grievance hearings will be included in the booklet.

Many Thanks

They have met with many individuals over the past year, and we would like to thank you for your kindness and assistance during the completion of this important project.

ANNUAL VERMONT HOMESTEAD DECLARATION

By Vermont law, property owners whose homes meet the definition of a Vermont homestead must file a Homestead Declaration annually by the April 15th filing deadline. If eligible, it is important that you file so that you are correctly assessed the homestead tax rate on your property.

Please remember to file both the 2022 Form HS-122 Homestead Declaration and 2021 Schedule HI-144 Household Income before the April 15th filing deadline.

In Vermont, all property is subject to education property tax to pay for the state's schools. For this purpose, property is categorized as either non-homestead or homestead. A homestead is the principal dwelling and parcel of land surrounding the dwelling, owned and occupied by the resident as the person's domicile.

All property is considered *non-homestead* (formerly "nonresidential"), unless it is declared as a *homestead*. The education property tax rate levied on non-homestead property differs from the rate levied on homestead property. It is your responsibility as the property owner to claim the property as a homestead if you meet, or expect to meet, the following requirements:

- You are a Vermont resident
- You own and occupy a homestead as your domicile as of April 1, 2022

Please note: If you meet these requirements, except that your homestead is leased to a tenant on April 1, 2022, you may still claim it as a homestead if it is not leased for more than 182 days in the 2022 calendar year.

NONHOMESTEAD PROPERTY

Property is considered non-homestead if one of the following applies:

- ◆ Your property is leased for more than 182 days out of the calendar year.
- ◆ The property is used exclusively for a commercial, including rental, purpose.
- ◆ The property is used for a second home, camp, vacation, or summer cottage.

PO Box 214

As is obvious, the past winter and previous years have let me a bit anxious. We have yet to have a meeting this year but have planned for one in April to discuss a couple projects and events for the rest of the year.

We did attend a Zoom meeting with Canaan Naturally Connected and a group from Canada regarding the addition of a Pioneer Trail site in Beecher Falls. A second meeting will be scheduled. If approved, we would work with CNC on the project.

We applied for a Tillotson Foundation grant that would have enabled us to hire students for the summer to work on projects and act as docents a few hours per day. Unfortunately, it was denied. The pay would not have funded retirement but it would have provided some spending money for the students and helped us finish a number of small projects.

We recently received a box of photographs of Canaan Elementary students, none of which had names or dates on them. They appear to be from the late 1990s and early 2000s. If you would like to come in to identify some of the kids, you are more than welcome.

Hope you have a great Spring and please find time to come by and visit this Summer. Thanks for your support.

Dennis Fuller, Chairman

The Northeast Kingdom Community Action office in Canaan is getting excited for spring! We again will have plots of garden space available to whomever would like one. Plots are 10' by 7' and are free! Some seeds are available. Gardening tools and water are always available. Call the office to sign up, 802-266-7134.

Do you love gardening but don't want the responsibility of your own plot? NEKCA keeps a garden for the food shelf and can always use help.

June is Dairy Month! and NEKCA is planning on celebrating by offering activities throughout the month. Keep an eye on our Facebook page (NEKCAEssex) for updates!

What does SASH provide to Participants?

- Comprehensive Health and Wellness Assessment
- Healthy Living Planning—We provide you with tools and resources to meet your wellness goals.
- Informed Team Support
- Support with Transitions back home from a Hospital or Rehab stay
- Community Healthy Living Plan—We offer FREE exercise classes, education, and opportunities to socialize with peers
- Check-ins & coaching by our SASH Coordinator and Wellness Nurse

For more information contact:

Susan Mund, SASH Coordinator

802-825-3648

susanm@ruraledge.org

ALICE M. WARD MEMORIAL LIBRARY

Spring is in the air! Is it here to stay? The library is busy and active. We're open Monday, Tuesday, Wednesday and Thursday from Noon-5pm & Saturday from 10am-1pm.

Our "Tiny Art Show" is brightening up things! Over 50 local residents picked up a kit with paint and supplies and brought back a tiny masterpiece. Please come visit the Tiny Art Show now on display. Participants were split equally, 50% teenagers and 50% adults. In April we celebrate National Library Week! The Tiny Art Show will continue into a "Tiny Short Story Contest" where anyone can enter by writing a Tiny Short Story, two sentences long, about their favorite Tiny Art Show painting. We will pick a winner (or two!).

Canaan Playgroup meets at the Library on Tuesday mornings at 9am led by Airole Warden. Children ages birth-5 are invited with a parent or caregiver to join in the fun of building early literacy foundations, socializing and free play activities. RSVP is not required.

The Fiber Friends crafting group meets every Monday at 1. Bring a craft or just drop by to visit and enjoy the company and conversation. The Go Ask Alice Book Club meets on the first Thursday of April in a hybrid in-person and Zoom format. New members are always welcome. The library has free passes to the ECHO Leahy Center in Burlington! This would make a fine April vacation day trip. Check them out today.

Save the date! On July 6 (10:30am) join us for a live, in person animal encounter program with VINS (Vermont Institute of Natural Science/Quechee VT) as we kick off the summer reading program. Stay tuned for our summer reading program plans.

Good news! As of April 1st, COVID testing will no longer be a requirement to enter Canada. Vaccination and pre-registration via the ArriveCAN app is still required for optional travel. The VDH and NCHC have given the library COVID at-home rapid antigen test kits and N95 masks for the public. They are first come first served, just drop in and pick one up if you are interested.

The Dolly Parton Imagination Library is available to all residents birth - 5 in any town in the Northeast Kingdom. You can sign up using your zip code at www.imaginationlibrary.com. Dolly Parton has co-written a wonderful novel called Run, Rose Run which is at the top of the New York Times bestsellers and we have it here at the library! Read it today.

We will have Green Up Vermont Day (May 7) green bags for roadside cleanup. Please pitch in and clean up at a park or a Canaan roadside. Filling even just one bag helps our community. We are planning Arbor Day (April 27) activities with take and make kits, games and activities to celebrate trees here in the Northeast Kingdom. The VT Urban & Community Forest Program and UVM Extension have sent us free Sugar Maple grow kits. We invite your family to pick them up and plant them here in Canaan.

Thank you for your support at our annual Town Meeting. My door is always open to you for suggestions and feedback about the library.

Sharon Ellingwood White- Library Director, Alice M. Ward Memorial Library

The snowbanks have almost completely melted, and we find ourselves deep into mud season, the fifth unique season of the North Country! The daylight comes a bit earlier for us to seize the days. A huge "thank you" to the voters of the Town of Canaan for the continued monetary support of the groups' endeavors!

This quarter found CNC gathering information, helping other organizations and delving into future projects. Guests attended meetings, sharing information on Support and Services at Home (SASH), St. Paul's Episcopal Church, the former DTM building, the Pioneer Trail ideas and brainstorming. Each topic had a good base of ideas shared to begin the process of making them into a form of reality.

The banners which were supposed to be adorning the town during the winter months had an unfortunate circumstance occur with the company that had been originally selected. However, at our most recent meeting new banners and company were selected and have been ordered.

Our involvement grows with our supporting the Canaan Schools' basket fundraiser and Care Closet, our continued support of the Kiwanis Club and the Moosely Information booklet with our fundraising and the grants that we have been fortunate to be awarded. We want to thank Kiwanian Mario Marquis for volunteering his time and effort in maintaining our website, <http://canaanvt.com>. We are truly appreciative!

As always, CNC members look forward to the next quarter and are excited about the possibilities and partnerships that will continue to be made for the Town of Canaan! We invite anyone who has an interest in working with any projects to please get in touch with us. There are monthly meetings that normally occur the 3rd Thursday of every month at the Grace Community Church or ZOOM. Besides the Destination Website <http://canaanvt.com>, you can email your questions to cnaturallyc@gmail.com or message us on our Facebook page, Canaan Naturally Connected, Inc.

Have an amazing and productive Spring!

APRIL 13, 2022

**Canaan Memorial High School
Gymnasium 6:00PM Meeting
Voting from the Floor**

Informational Meeting Proposed FY2023 Budget

Increase of \$0.1582 from FY2022

Grand Total Expenditures:	\$4,769,221
Total Offsetting Revenues:	\$1,740,167
Education Spending:	\$3,029,054
Equalized Pupil:	129.81
Ed Spending Per Equalized Pupil:	\$23,335
Property Yield per \$1.00 Est:	\$12,937
Equalized Ed Homestead Rate:	\$1.8037
CLA %:	1.0611
Actual Homestead Rate:	\$1.6998

Annual Meeting Proposed FY2023 Budget

VOTE FAILED with Estimated Increase of \$0.0609 from FY2022
Presented a reduced Budget of \$173,463 moving salaries to
ARP ESSER for Family School Coordinator (\$99,170) and
Elementary Teacher (\$74,293)

Grand Total Expenditures:	\$4,595,758
Total Offsetting Revenues:	\$1,740,167
Education Spending:	\$2,855,591
Equalized Pupil:	129.81
Ed Spending Per Equalized Pupil:	\$21,998
Property Yield per \$1.00 Est:	\$12,937
Equalized Homestead Rate:	\$1.7004
CLA %:	1.0611
Actual Homestead Rate:	\$1.6025

RE-VOTE APRIL 13th - Proposed FY2023 Budget

Estimated Increase of \$0.0469 from FY2022 - Reduced Budget
by an additional \$77,696 by removing part-time admin assistant
(\$13,529) and summer student (\$4,761), painting (\$19,406) and
moved the Fire Alarm (\$30,000) and MPR Heating (\$10,000) to
the Bond Article.

Grand Total Expenditures:	\$4,518,062
Total Offsetting Revenues:	\$1,740,167
Education Spending:	\$2,777,895
Equalized Pupil:	129.81
Ed Spending Per Equalized Pupil:	\$21,400
Property Yield per \$1.00 *NEW* Est:	\$13,472
Equalized Homestead Rate:	\$1.5885
CLA % *NEW*:	1.0000
Actual Homestead Rate:	\$1.5885

Note: The Board anticipated a \$0.0173 cent increase on March 14th,
but on March 15th the reappraised grand list was announced with
the new CLA at 100%, along with the Ways & Means Committee Bill
for a new yield, changing the estimated increase once again.

What You Need To Know About the 2023 Budget

Dear Canaan Community,

Our proposed budget presented to the community at our Annual School District Meeting on February 28th was not approved on the floor. There were 21 votes in favor and 24 votes against. We have listened to those who have shared cost cutting ideas and revisited the budget. What you see before you is a well-thought-out budget that meets our key priorities with the least amount of tax burden to the community and without limiting programs for our students.

The budget reflects our commitment to putting children first. We have prioritized an expanded all day Pre-K program to support working families and to provide necessary early education interventions (\$98,519) for children ages 3-5. We continue to provide college credit Running Start courses and Industry Recognized Credentials (IRCs) for both our college and career bound students. We anticipated another year of increased enrollment in our hands-on Building Construction and Restoration program and have budgeted an additional part-time position and supplies (\$52,464) to not limit the number of students who can participate. We estimate our projected equalized pupil spending to increase by 6.01% compared to the current year. However, we felt these are necessary investments that will serve our students and community best.

Overall, the proposed FY2023 budget will be \$4,518,062, an increase of \$489,881, or 12% from the current year. The proposed budget also includes tough fiscal decisions. As has been the case over the previous year, we continue to tackle significant economic pressures due to the inequitable funding based on an outdated pupil weighting formula, increases to our student special education and non-special education costs (\$233,015), increase in negotiated salaries and benefits and operational and financial challenges caused by the uncertainty of COVID-19.

Your vote matters, so please do your part and cast your floor vote at the Canaan Memorial High School Gymnasium at 6:00PM on Wednesday, April 13, 2022. Your ongoing support helps us address the immediate needs of our community and set a long-term vision for Canaan Schools! We look forward to your support and your continued partnership as we work together to educate students to become lifelong learners in an ever-changing world.

Understanding the Tax Increase

Public schools are funded in part through residential property taxes. Some communities have higher property values, so the legislature designed the Common Level of Appraisal (CLA) to ensure all districts contribute their fair share to the Education Fund. Houses in Canaan have been selling for more than their appraised value, leading to a drop in the CLA. As the CLA goes down, the local residential property tax rate increases because homes are worth more money than their appraised value. When we revised and approved the new proposed budget, the CLA in Canaan was 106.11% resulting in a \$0.01 tax increase compared to the prior year. On March 15th, the Canaan received their Grand List 2022 Reappraisal Confirmation and adjustment of the CLA to 100%. On a positive note, the legislation is looking to approve the property yield at \$13,472. These are both unrelated to education spending, but will result in an estimated \$0.05 tax increase compared to the prior year. Public schools are also funded by state sales, use, meals, and rooms taxes. This year these revenues to the Education Fund are projected to be very healthy, which is why the Canaan Board is able to propose a budget with a 12.2% expense increase and property tax payers will only see a 3% increase in tax rates.

Understanding the Floor Vote

On March 14, 2022, the Canaan School Board approved a budget of \$4,518,062 for the Fiscal Year 2023 (FY23). This represents a spending increase of 12% over the current year's budget. The current state formula with the new proposed yield and CLA estimates a 3% tax increase. Approval by voters would allow the school board and administrators to continue providing high-quality instruction that ensures all students graduate from Canaan Schools college and career ready.

Bond Article Update

Category	Description	Budget	Expenditures as of 1/10/2022
Accessibility	ADA Compliance Upgrades, Relocating classrooms to Main Floor (Science, Art, Locker Rooms)	\$ 544,000	\$ 333,812
